

# 25 Series Regulator

Now the best protected regulator

## STEAM & CONDENSATE MANAGEMENT SOLUTIONS

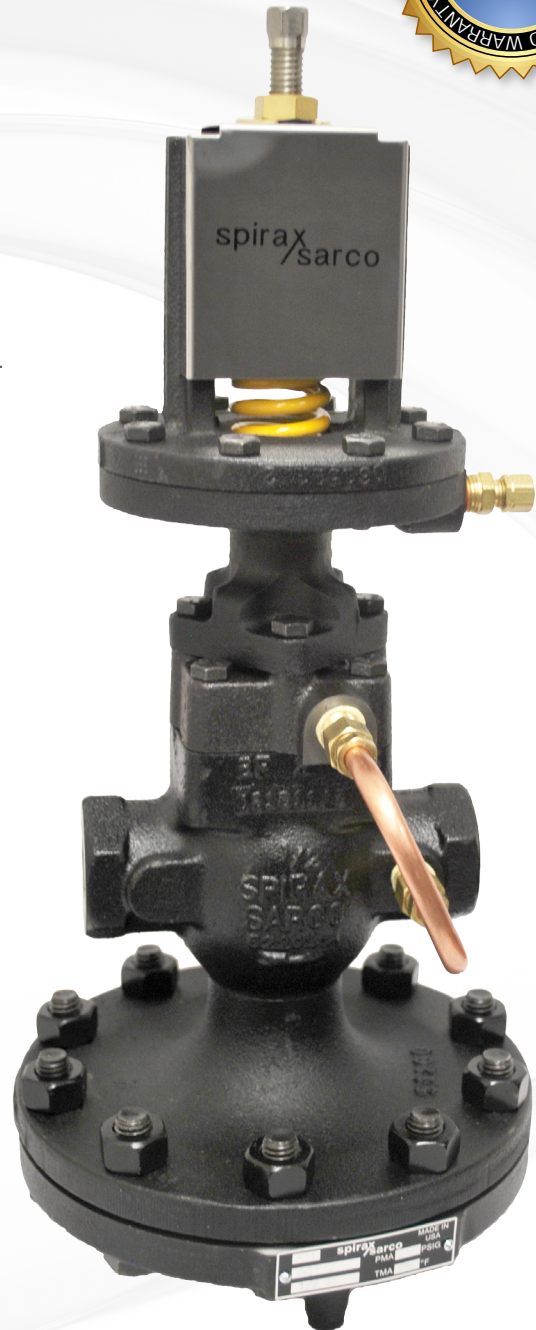

### Announcing the Extended 2-Year Warranty

No one needs malfunctioning regulators. To help maximize your system uptime, Spirax Sarco now offers you a true win-win proposition. Install any of our 25 Series regulators within best practices guidelines, and you get extra warranty protection, plus invaluable uptime security. Qualifying is easy. Simply install your 25 Series Regulator with upstream protection (see the drawings on the reverse side), and you instantly validate your warranty.

With this kind of protection, it makes good sense to standardize on versatile 25 Series Regulators and their additional advantages:

- Ability to interchange or configure two or more pilots on the same regulator body—combine remote on/off control together with pressure reduction.
- Accurate control of pressure with choice of three color coded springs.
- Fatigue tested diaphragm designed without a piston prevents danger of sticking.
- Body materials available in cast iron, steel or stainless steel.
- Stainless steel internals for excellent durability and resistance to corrosion.
- Wide range of screwed and flanged connections.
- Patented self scrubbing guide for long, trouble-free service.
- Spirax Sarco technical support, knowledge and service.
- ½" through 4" sizes

# The Extended 2-Year Warranty 25 Series Regulator

SPIRAX SARCO, INC., warrants to the purchaser for ½" through 4" 25 Series Regulators installed with Spirax Sarco equipment consisting of separator, steam trap set, and strainer with either a 60/100 or 100 mesh screen in accordance with the installation drawing shown below for the period of two (2) years from the date of shipment. This extended warranty shall apply only to the 25 Series Regulators to be free from defects in material and workmanship under normal operating conditions and service. The obligation of Spirax Sarco and purchaser's sole and exclusive remedy pursuant to this warranty shall be, at Spirax Sarco's option to repair or replace any product of part thereof which is returned to Spirax Sarco, Inc., 1150 Northpoint Blvd., Blythewood, SC 29016, transportation charges prepaid and there determined by Spirax Sarco not to be warranted. Notwithstanding the foregoing Spirax Sarco shall have no obligation hereunder if all payments due from Purchaser have not been made, or the product or part becomes defective in whole or part as the result of repairs not made by Spirax Sarco or Purchaser, or as the result of removal, improper use, operation above rated capacities or misapplication thereof after it has been delivered to the Purchaser.

Except as set forth herein, Spirax Sarco makes no other warranties, express, implied or statutory, including warranties or merchantability and fitness for a particular purpose. Purchaser acknowledges that it is not relying upon Spirax Sarco's skill or judgment to select or furnish goods suitable for any particular purpose or upon any affirmations of act or promises of Spirax Sarco which extend beyond specifications mutually agreed upon in writing by Spirax Sarco and Purchaser.
